13th Structural Engineering Conve

Depart
Visvesvaraya National Insti
South Ambazari Road, Nagpur - 4

[ards](https://vnit.ac.in/sec2023/index.php/abstract-paper-submission/) (<https://vnit.ac.in/sec2023/index.php/abstract-paper-submission/>).  **Registration open for Student Attendees** (<https://vnit.ac.in/>)

Chief Guest – SEC 2023

SEC 2023 will be inaugurated by

Shri. Nitin Gadkari ji

Honourable Minister for Road Transport & Highways,

Government of India

Shri Gadkari Ji is seen as a man of the masses, an accomplished social reformer, an adroit statesman and administrator. A seasoned politician, Gadkari ji has earned for himself the distinction of being a visionary thinker and deft executor. Gadkari ji is fondly known as the **“Highway Man of India”** for the intensive road infrastructure development in India.

About the Convention

The 13th Structural Engineering Convention (**SEC-2023**) to be held at **VNIT, Nagpur** aims to take this international convention to the heights, pioneered in the year 1997 by CSIR SERC, Chennai and IIT Madras. Subsequent conventions were organized by other academic institutions and universities of the country. SEC attracts structural engineers working in the academia, research organization industries from India and abroad. Although, it is a biennial event, due to COVID19 pandemic it could not be organized after 2018 till 2022 therefore, Indian Association for Structural Engineering (**IASE**) decided to organize convention consecutively in 2023 after SEC-2022.

The goal of SEC-2023 is to gather scholars from all over the world to present advances in the relevant fields and to foster an environment conducive for exchanging ideas and information. This convention will also provide an ideal ambience to develop new collaboration meet experts on the fundamentals, applications, and products of the mentioned fields. SEC 2023 intends to provide a platform for interaction amongst academicians and practicing engineers. We cordially invite you to participate in and contribute to SEC-2023, at VNIT Nagpur.

13th Structural Engineering Convention

07-09 December 2023
